Gentlemen,—

We have received an invoice from you for the following goods,— (1) doz. #120 Bicycle Bells, (2) doz. #225, (2) doz. #235, (2) doz. #250 and (2) doz. #400. Now our order calls for all of these but the last item, viz,— (2) doz. #400, which we never ordered. We find upon opening the box that you have sent us (1) gross of #235 and 1/2 gross of #024, which is a size we know nothing about. We will return you the #024. Please correct the bill. We do not care for the #400 at all, so please forward the goods we have ordered, and oblige,

Yours truly,

The Davis Sewing Machine Co.
